Fiesta Especial® ...Fiesta® fun for children and adults with disabilities and families

What: Fiesta Especial®, and official Fiesta® Event

On Friday and Saturday, April 19th-20th , Fiesta Especial® will take place in a new location on the east side of town in the City of Windcrest.

Created in 2003 for individuals with disabilities and their families, Fiesta Especial® has grown each year to benefit our community. This year includes a return of the Fiesta Especial® Royal Court and a parade through the City of Windcrest, bringing Fiesta® to individuals who want a family-friendly, alcohol & tobacco-free, non-downtown environment in which to celebrate with the rest of the city.

Carnival rides are back this year! Fiesta Especial® will feature carnival rides, games, food, crafts and entertainment. General Admission is \$5 and tickets for food, games, rides and crafts will be sold separately.

On Friday, April 19th, school children from special education departments all over San Antonio will arrive between 10am – 4pm to celebrate Fiesta. At 10am on this day, there will be a shoebox float parade put on by all the students winding through the lobbies of Rackspace Hosting (5000 Walzem).

On Saturday, April 20th, the day will kick off at 8:15am with a Promenade & Parade on the streets of Windcrest. Runners, Walker, Marchers, Mascots, Floats and all will bring the sights and sounds of Fiesta to the streets of the east side.
